POWER-PLUS

Thank you to everyone who attended tryouts for the Steel City Volleyball League! We appreciate your patience as we compile, check over and validate ratings.

Below are the final results from the SCVL tryouts. If you have any questions about ratings or the ratings process, please contact the Board (see below). Waitlisted players, please bear in mind that these results are not a guarantee that there will be space available in the league this season; you will be notified if/when you advance from the waitlist.

We will assign you space based on the number of divisions you identified in your registration. If you registered that you only would play in two divisions pending your successful tryout result, we will refund you promptly the cost of the two divisions that you paid up front.

PLEASE NOTE: IF YOU HAVE NOT PAID YOUR REGISTRATION FEE, YOU WILL LOSE YOUR PLACE IN THE SPRING 2018 SEASON. We must receive your payment **by 8 am tomorrow (Wednesday)** or you will forfeit your position in the league this season.
